NOTICE TO CUSTOMERS

SYSTEM REQUIREMENTS TO ACCESS CIPC APPLICATIONS

Due to numerous queries regarding applications not responding on the CIPC website, customers must ensure that the following software is loaded on their personal computers:

- .tiff image viewer;
- Internet Explorer (IE) v7, v8 or v9;
- Acrobat Adobe Reader;
- The following browsers are also supported on the Annual Returns and e-Lodgements systems (but not additional services – old CIPRO website) Firefox, Opera and Safari.

Links to the above mentioned software is available on the CIPC home page (www.cipc.co.za) under Quick information, or can be downloaded from Google.

CIPC apologises for any inconvenience caused.

Yours sincerely,

Astrid Ludin
Commissioner: CIPC
