**Department of Home Affairs (DHA) verification challenges
(Notice 12 of 2022)**

Kindly note that there is currently a challenge with the verification of ID numbers with the Department of Home Affairs (DHA), as the link is down. This is affecting new company registrations and director/member amendments on all our platforms, which are BizPortal, eServices, New eServices and Mobile App. DHA is attending to the matter on an urgent basis.

Your understanding in this regard is appreciated.

CIPC apologises for any inconvenience caused.

Yours faithfully,
