## 1. TERMS AND CONDITIONS OF REQUEST FOR TENDER (RFP)

1. CIPC's standard conditions of purchase shall apply.
2. Late and incomplete submissions will not be accepted.
3. Any bidder who has reasons to believe that the RFP specification is based on a specific brand must inform CIPC before BID closing date.
4. Bidders are required to submit an original Tax Clearance Certificate for all price quotations exceeding the value of R30 000 (VAT included). Failure to submit the original and valid Tax Clearance Certificate will result in the invalidation of this RFP. Certified copies of the Tax Clearance Certificate will not be acceptable.
5. No services must be rendered or goods delivered before an official CIPC Purchase Order form has been received.
6. This RFP will be evaluated in terms of the **80/20** system prescribed by the Preferential Procurement Regulations, 2001.
7. The bidder must provide assurance/guarantee to the integrity and safe keeping of the information (that it will not amended/corrupted/distributed/permanently stored/copied by the service provider) for the duration of the contract and thereafter. Failure to submit will invalidate the bid proposal.
8. CIPC reserves the right to negotiate with the successful bidder on price.
9. The service provider must ensure that their work is confined to the scope as defined.
10. Travel between the consultant's home, place of work to the DTI (CIPC) vice versa will not be for the account of this organization, including any other disbursements.
11. The Government Procurement General Conditions of contractors (GCC) will apply in all instances.
12. As the commencement of this project is of critical importance, it is imperative that the services provided by the Service Provider are available immediately. Failing to commence with this project immediately from date of notification by CIPC would invalidate the prospective Service Provider's proposal.
13. No advance payment(s) will be made. CIPC will pay within the prescribed period as per the PFMA.
- 14. All prices quoted must be inclusive of Value Added Tax (VAT)**
- 15. All prices must be valid for 120 days**
16. The successful Service Provider must at all times comply with CIPC's policies and procedures as well as maintain a high level of confidentiality of information.
17. All information, documents, programmes and reports must be regarded as confidential and may not be made available to any unauthorized person or institution without the written consent of the Commissioner or his/her delegate.
18. The successful bidder must ensure that the information provided by CIPC during the contract period is not transferred/copied/corrupted/amended in whole or in part by or on behalf of another party.
19. Further, the successful bidder may not keep the provided information by way of storing/copy/transferring of such information internally or to another party in whole or part relating to companies and/or close corporation. As such all information, documents, programs and reports must be regarded as confidential and may not be made available to any unauthorized person or institution without the written consent of the Commissioner or his delegate.
20. The service provider will therefore be required to sign a declaration of secrecy with CIPC. At the end of the contract period or termination of the contract, all information provided by CIPC will become the property of CIPC and the service provider

may not keep any copy /store/reproduce/sell/distribute the whole or any part of the information provided by CIPC unless authorized in terms of the declaration of secrecy.

21. The Service Provider is restricted to the time frames as agreed with CIPC for the various phases that will be agreed to on signing of the Service Level Agreement.
22. CIPC will enter into Service Level Agreement with the successful Service Provider.
- 23. CIPC reserves the right not to award this bid to any prospective bidder or to split the award.**
- 24. Fraud and Corruption:**

The Service Provider selected through this Terms of Reference must observe the highest standards of ethics during the performance and execution of such contract. In pursuance of this policy, CIPC Defines, that for such purposes, the terms set forth will be as follows:

- i. "Corrupt practice" means the offering, giving, receiving or soliciting of anything of value to influence the action of CIPC or any personnel of Service Provider(s) in contract executions.
- ii. "Fraudulent practice" means a misrepresentation of facts, in order to influence a procurement process or the execution of a contract, to CIPC, and includes collusive practice among bidders (prior to or after Proposal submission) designed to establish Proposal prices at artificially high or non-competitive levels and to deprive CIPC of the benefits of free and open competition;
- iii. "Unfair trade practices" means supply of services different from what is ordered on, or change in the Scope of Work;
- iv. "Coercive practices" means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the execution of contract;
- v. CIPC shall reject a proposal for award, if it determines that the bidder recommended for award, has been engaged in corrupt, fraudulent or unfair trade practices;
- vi. **CIPC also reserves the right to terminate this Agreement by giving 10 (ten) business days written notice to the service provider due to any perceived (by CIPC) undue reputational risk to CIPC which CIPC can be exposed to resulting from the service provider or its management/directors being found to be involved in unethical behaviour, whether in its dealings with CIPC or any other business dealings.**  
**Note: "Unethical behaviour" includes but not limited to an action that falls outside of what is considered morally right or proper for a person, a profession or an industry**
- vii. CIPC shall declare a Service Provider ineligible, either indefinitely or for a stated period of time, for awarding the contract, if at any time it determines that the Service Provider has been engaged in corrupt, fraudulent and unfair trade practice including but not limited to the above in competing for, or in executing, the contract.
- viii. The service provider will sign a confidentiality agreement regarding the protection of CIPC information that is not in the public domain.

### 3. INTRODUCTION

CIPC's mandate is registration of companies, close corporations, cooperatives and intellectual property rights. Related services include the disclosure of information as well as dispute resolution arising out of infringements to these rights. Therefore, CIPC needs to ensure the integrity and efficiency of its processes in order to provide accurate information. To improve the competitiveness of the South African economy by enhancing the reputation of South African businesses and the business environment. Also improving the reliability and integrity of the information within the CIPC databases and to promote broader economic growth through partners and participation in enhancing service delivery and extending the reach of CIPC through partners like the banks, government parastatals and other stakeholders.

### 4. BACKGROUND

CIPC wishes to appoint a service provider to supply MPLS SDWAN between the Commission's main data centre located at the dti Campus, 77 Meintjies Street, Sunnyside, and Pretoria and its remote sites Cape Town branch, Johannesburg branch, and Pretoria branch and also partners and stakeholders. The solution must provide CIPC with an MPLS Virtual Private Network (VPN) and virtual routing and forwarding (VRF) for third parties offering secure, redundant and scalable data services, and provide CIPC with ease of connectivity for future CIPC remote sites offices and partners on and when required.

#### **NB:**

- I. The request is for the MPLS services connectivity to the current CIPC data center and its existing branches stakeholders and partners as well as the future changes thereof, which will be billable upon implementation and operation.
- II. There will be a 3 month/90 days exit clause included in the SLA based on whether the CIPC changes business plans and/or operating models – for example Data Centre Relocation or Hybrid Data Centre as an option.
