Notice 3 of 2016

NOTICE TO CUSTOMERS

DISPARITY OF COMPANY REGISTRATION AND INCORPORATION NUMBERS

Dear Customers

You may find that the registration number of your application submitted last year is 2015 and the Incorporation date is 2016. This is due to the automation of CIPC's system. CIPC now acknowledges the application immediately on receipt date (in this case of a 2015 filing).

In some instances there were applications which were only verified and approved in 2016 and these will show the Incorporation date of 2015.

Yours sincerely

.....
