## NOTICE TO CUSTOMERS

Notice 44 of 2019

### CIPC 2019 XBRL TAXONOMY FOR PUBLIC CONSULTATION

The CIPC has implemented filing of Annual Financial Statements (AFSs) via XBRL on 1 July 2018. The AFSs are based on the IFRS (International Financial Reporting Standard) Taxonomy as published by the IASB (International Accounting Standards Board) on 31 March 2016. Since then the IASB released updates to the IFRS taxonomy in 2017, 2018 and 2019. The CIPC wishes to update its taxonomy (inclusive of previous updates, i.e. 2017 and 2018 updates) in line with the latest 2019 releases of IFRS. The CIPC has made the data model and also new taxonomy available on its website for public consultation. Please provide the CIPC with comments on the suggested new taxonomy by 15 July 2019. Please refer to relevant documentation under "XBRL Programme" on the CIPC's website ([www.cipc.co.za](http://www.cipc.co.za)). Queries and comments can be sent to [xbri@cipc.co.za](mailto:xbri@cipc.co.za).

Yours faithfully,

Adv. Rory Voller

Commissioner: CIPC
