

PRACTICE NOTE 4 of 2022

CLOSURE OF CO-OPERATIVESONLINE EMAIL

The Registrar of Co-operatives has noticed that despite numerous notices some people still file applications for registration of co-operatives using the old system resulting in unnecessary delays.

We draw your attention to the step by step guide available on our website under “Step by Step guides” under co-operatives for the registration of co-operatives.

Having said the above the old email address for registration cooperativesonline@cipc.co.za was disabled as a result therefore no application or enquiries must be sent to that email address.

Below are the email addresses that are in use:

Director changes: Co-op2@cipc.co.za

Change of business addresses & appointments / resignation of auditor: Co-op3an4@cipc.co.za

All special resolutions: Co-op6@cipc.co.za

Co-operatives Financial Statements: new email Coopsfinancials@cipc.co.za

Co-operatives Conversions: new email Coopsconversions@cipc.co.za

For Queries kindly log your query on www.cipc.co.za Click on Enquiries

Your co-operation will be highly appreciated as we improve our services

Yours sincerely
