NOTICE TO CUSTOMERS

Notice 64 of 2015

RE: DELAY IN REAL TIME PAYMENTS

DEAR CUSTOMERS

CIPC is experiencing technical problems relating to the allocation of real time payments to the customer accounts.

CIPC is aware of the problem and technicians are currently busy investigating. Please be patient as the allocation of funds will reflect in due course provided the reference is correct.

CIPC would like to assure customers that the problem is receiving priority attention and that customers will be updated on any developments.

Please do not log tickets on the QRS system unless your referencing is incorrect.

CIPC apologizes for any inconvenience caused.

Yours Sincerely

Acting Commissioner

Andre Kritzing
