**IMPORTANT NOTICE TO ALL RECOGNISED ACCOUNTING PROFESSIONS FOR CLOSE
CORPORATIONS
(Notice 12 of 2017)**

The Close Corporations Act state that, no person shall be appointed or hold the office of an accounting officer of a corporation, unless he is a member of a recognized profession.

The Companies and Intellectual Property Commission is currently updating the register of accounting officers and as a result recognized professions are requested to provide the Commission with an updated list of accounting officers.

Therefore no appointment of accounting officers of a corporation will be recorded unless CIPC has confirmed such information with recognized professions, and any queries relating to accounting officers information not being updated with CIPC must be referred to the relevant profession where the accounting officer is a member.

Yours sincerely,

Adv. R Voller
Commissioner: CIPC
