IMPORTANT NOTICE TO CUSTOMERS (Notice 14 of 2017)

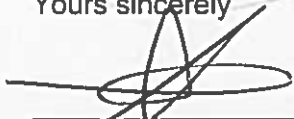

CIPC Launching New Home / Landing page

CIPC is pleased to announce the upcoming launch of a New Home Page.

From Monday the 27th February, the CIPC home page will have a new refreshed and exciting look, which will ensure more interactivity and a better user experience. There will be no change in the way the information on the rest of the website will be presented, and all links will still be available. The customer will also have the option to take a tour when opening the home page to familiarize you on how to navigate the website.

CIPC trusts that this new development will enhance the customer experience.

Yours sincerely

Adv. R. Voller
Commissioner: CIPC
