SMME Focused Workshop - brought to you by Proudly SA

Tuesday, 12 September 2023

10h00 – 11h30

How to use business tools optimally to ensure your business succeeds.

Proudly South African is the country's official Buy Local Campaign. The Campaign seeks to enable a pathway for businesses that manufacture/produce locally to retain & create jobs while contributing to strengthening the economy.

On the 12th of September 2023, we will be hosting an access to market SMME Focused Workshop to equip small business owners and entrepreneurs with necessary information they require to sustain their businesses.

Set your reminder and join the SMME Focused Workshop in partnership with Innovation Hub and Companies & Intellectual Property Commission. Come and garner all the educational content you need from our partners for your business's success.

Make sure to book your spot today!
