Notice 50 of 2023

CIPC 2023 XBRL TAXONOMY FOR PUBLIC CONSULTATION

The CIPC has implemented filing of Annual Financial Statements (AFSs) via XBRL since 1 July 2018: The AFSs are based on the International Financial Reporting Standards (IFRS) Taxonomy as published by the International Accounting Standards Board (IASB) on 31 March 2016. Since then, the IASB released updates to the IFRS taxonomy in 2017 up to and including 2023. The CIPC wishes to update its taxonomy (inclusive of previous updates) in line with the latest 2023 releases of IFRS. The CIPC has made the data model as well as the new taxonomy available on its website for public consultation.

Please provide the CIPC with comments on the suggested new taxonomy by 06 September 2023. Please refer to relevant documentation under "XBRL Programme" on the CIPC's website (www.cipc.co.za). Queries and comments can be sent to xbri@cipc.co.za.

Yours faithfully,

Adv. Rory Voller

Commissioner
