## NOTICE 62 OF 2023

### **CORRECTION OF NEW COMPANY REGISTRATION INFORMATION AND CERTIFICATES ACROSS ELECTRONIC PLATFORMS**

The Companies and Intellectual Property Commission as part of its drive to ensure the correctness and reliability of documentation, reviewed the information that companies and directors receive after registering a private company. Such change was released on 6 November 2023, but unfortunately, the company name and registration number incorrectly reflected on the generated Memorandum of Incorporation.

This was corrected, and the company registration information and certificate was re-issued to customers. If you have not received the corrected company registration information, kindly download the accurate information from any of the available electronic platforms.

Steps to retrieve the company documents information via e-services:

- Visit <https://eservices.cipc.co.za> and sign in with your customer code and password
- Select on Transact on the top right/Certificates and Disclosures/Incorporation (MOI) Documents

Steps to retrieve company registration documents via Bizportal:

- Visit [www.bizportal.gov.za](http://www.bizportal.gov.za) and sign in with your ID and password
- Click on Company Registration on the home page/Registration certificate or on Services/Company registration/Registration certificates

For any further enquiries, kindly log a ticket via [www.cipc.co.za](http://www.cipc.co.za) / enquiries.

Our apologies for the inconvenience caused.

Kind Regards
