## NOTICE TO CUSTOMERS

Notice 68 OF 2023

### URGENT NOTICE RE: DIRECTOR AMENDMENTS

We wish to apologize for the delays in making the new Director Amendment system available for the change of directors as of the 01/12/2023. We have noticed that some customers continue to bypass the old services on the 30/11/2023 and have submitted applications that require us to complete those first, so as not to have data corruption. We cannot continue to postpone any longer even if people are still using their own way to access the old system instead those applications will not be processed and we will focus only on the applications received via the new system.

Having said that today is our last day of processing all applications which were received from Friday after hours until this morning and tomorrow which is the **5 December 2023**, we will sunset the current eservices and open a new one for the applicants to be able to submit.

We would like to thank you for your cooperation.

Kind regards,
