NOTICE TO CUSTOMERS
Notice 01 of 2024

DISPARITY OF REGISTRATION NUMBERS AND INCORPORATION DATES

Please take note that if you submitted a company registration application late last year, the registration number of your application submitted will be 2023, and the incorporation date (or registration date) will be 2024. This is due to the automation of CIPC's system.

CIPC assigns the year of registration as the year within which the application was received, while the incorporation date is actual date that the company was registered.

Yours faithfully,

Adv. Rory Voller
Commissioner: CIPC
