MEDIA STATEMENT 10 of 2016
11 October 2016

IDENTITIES OF PUBLIC COMPANIES FOUND TO BE UNDER DISCLOSING OR NOT DISCLOSING PROPER TURNOVER VALUES AND HENCE NOT PAYING THE CORRECT ANNUAL RETURN FEES TO THE CIPC REVEALED

As previously advised, the CIPC in a surveillance sweep identified certain public companies that were under disclosing or not disclosing the proper annual turnover values and hence not paying the correct annual return fees to the CIPC.

The companies implicated in the surveillance operation have advised the CIPC that due to a bona fide error in the manner in which they have stated their annual turnover for purposes of calculating their annual return fees, incorrect payments were made to CIPC.

The companies have undertaken to remedy the breach, which the CIPC views as material in terms of the Companies Act. The payment of the corrected fees are in progress.

The companies implicated were requested to inform the market by issuing SENS statements. This has not occurred.
